- At all times, please refer to the relevant legal documents of ACY LTD, which can be found on our terms page [here](#), and ACY AU which can be found [here](#). CFDs are derivatives and you don't own or have any rights to the asset that underly the derivatives. Trading derivatives carry a high level of risk where you can lose substantially more than your investment.
- The Contest will last for twelve months, starting from the 1st July 2021 to 30th June 2022.
- The final ranking is settled by the Artificial Intelligence Money Manager Ranking (AI-MMR) formula which is our proprietary formula (the results of which will be disclosed on our website). The person with the highest AI-MMR score is the winner. In the event of a tie, the participant with the highest overall profit will be determined the winner.
- All trading histories will be captured after opting-in through our [ACY.Cloud](#) client portal for purposes of calculating the AI-MMR Ranking.
- The Contest leader board will be updated at <https://tradingcup.com/en> daily during the competition period.
- Participants can choose between the ACY LTD or ACY AU Standard, ProZero or Bespoke MT4 or MT5 live trading accounts via the [ACY.Cloud](#) client portal. Demo accounts do not qualify.
- ACY LTD and ACY AU reserves the right at its sole discretion to accept or decline the application of any participant in the Contest.
- There is no account opening minimum apart from the requirements to open the respective account at ACY LTD or ACY AU. For example, the minimum starting balance for a Standard account is \$50 and for the ProZero account it is \$200. There is no maximum set.
- All trading histories, including deposits and withdrawals are calculated with the AI-MMR ranking.
- All open positions as of 21:59 on the 30th June 2022 (GMT), will be captured at this time for purposes of calculating the final Contest balance of all participants.
- The principal and profit can be withdrawn at any time. At ACY LTD, the minimum amount of withdrawal is \$USD50.
- Participants will vie for ACY LTD trading accounts, with a total of \$1 million USD split between the top 5 leader board in the following format. Please note that ACY AU clients will only receive a certificate of trading excellence, not a live trading account, and a possible trophy.
