- At all times, please refer to the relevant legal documents of ACY LLC, which can be found on our terms page [here](#). CFDs are derivatives and you don't own or have any rights to the asset that underly the derivatives. Trading derivatives carry a high level of risk where you can lose substantially more than your investment.
- Residents of Australia are ineligible to enter the Promotion.
- The Contest will run from the 1st March 2023 to 31st August 2023.
- The final ranking is settled by the Artificial Intelligence Money Manager Ranking (AI-MMR) formula which is our proprietary formula (the results of which will be disclosed on our website). The person with the highest AI-MMR score is the winner. In the event of a tie, the participant with the highest overall profit will be determined the winner.
- All trading histories will be captured after opting-in through our [Client Portal](#) for purposes of calculating the AI-MMR Ranking.
- The Contest leader board will be updated at <https://tradingcup.com/en> daily during the competition period.
- Participants can choose between the ACY LLC Standard, ProZero or Bespoke MT4 or MT5 live trading accounts via the [Client Portal](#). Demo trading accounts do not qualify.
- ACY LLC reserves the right at its sole discretion to accept or decline the application of any participant in the Contest.
- There is no account opening minimum apart from the requirements to open the respective account at ACY LLC. For example, the minimum starting balance for a Standard account is \$50 and for the ProZero account it is \$200. There is no maximum.
- All trading histories, including deposits and withdrawals are calculated with the AI-MMR ranking.
- All open positions as of 21:59 on the 31st August 2023 (GMT), will be captured at this time for purposes of calculating the final Contest balance of all participants.
- The principal and profit can be withdrawn at any time. At ACY LLC, the minimum amount of withdrawal is \$USD50.

- Participants will nominate their trading account(s) and there is no limit on the number of ACY LLC trading accounts you can have in the Contest.
- If your base currency is Japanese Yen, then you require 7,000 Yen as your starting capital.
- Participants must place at least 25 round trip trades of any amount to be considered eligible for the prizes. A buy and sell (to open and close a position) is 1 round turn.
- Participants can trade the full list of instruments available through the ACY MT4 and MT5 platforms.
- You can opt-in multiple accounts to participate in the trading cup however, if any of your accounts are placed in the top 50 multiple times, you will only be eligible to win once. E.g. if your accounts are placed 2nd, 4th and 10th, you will be awarded the 2nd place prize of \$15,000 only. You will not be eligible for the 4th and 10th placed prize allocation.
- The total prize pool is \$75,000 USD split between the top 50 participants as a Bonus.
- The Bonus amount will be credited according to the client's default account base currency before the 1st of November 2023.
- The Bonus amount will be credited in to MT4/MT5 as a separate Credit, different from your Balance.
- If the full trading volume requirements are not met after 365 days from the Bonus being applied, your Credit will be withdrawn.
- If clients have traded the minimum lot requirements as per the table below, any remaining Credit will be transferred into your Balance. E.g. Clients must trade 20 standard lots for every 100 units (14,100 JPY) of bonus on the default account.
- Bonus trading requirements are not prorated, clients are required to trade the volume in full for the Credit to be transferred to the Balance after 365 days.
